FIVE CENTS THE COPY

FLEEING BANDIT AT SALLISAW IS SHOT FROM REAR

Two Men Confess Having Part in Robbery and Name Third Party

SOME CASH IS FOUND

Pursuit of Lockhart Is Abandoned By Posse From Muldrow

(By the Associated Press)
SALLISAW, June 2.—With two men, one badly wounded, in jail and only a small part of the loot recovered, officers were using every today to apprehend the third man who robbed the National Bank of Muldrow, east of here, yesterday afternoon.

Reece Price, 45, alleged moonshiner, and Monroe Coob, 27, a farmer, caught by the posse within three hours after the robbery, have told officers of their participation in the affair, and have made known the identity of the third participant.

Price was shot twice by the posse. He was hit in the right arm and in the back by rifle bullets. The wound in the back is dangerous, being within one inch of the spine. Between \$10,000 and \$16,000 in war stamps and liberty bonds taken by the robbers are missing. Approximately \$20,000 worth of the securities were stolen. Of the \$3,000 taken in cash by the bandits, approximately \$1,000 has been recovered.

The recovered securities and the money, according to officers, was found on the captured men.

Pursuit Abandoned.
The pursuit of Ed Lockhart, the third man charged with participating in the robbery of the First National Bank of Muldrow, has been abandoned by the posse, it was stated here today.

Two of the three men captured with about \$2,500 of the bank's funds in their possession are being held in the Sequoyah county jail at this place. The men gave their names as Reece Price and Monroe Coob. Price was shot in the back in the pursuit that followed the robbery, but his wound is not considered serious.

Racing Balloons to Earth in Missouri and Illinois, Word

(By the Associated Press)
CHICAGO, June 2.—Reports of the progress of the balloons in the annual balloon race which started at Milwaukee Wednesday virtually assured Capt. H. E. Honeywell of St. Louis of becoming one of the three Americans to take part in the international contest in Switzerland in August. Indications are that Capt. Harold Westover of the army, and Lieut. W. F. Reed of the navy, will be the other qualifiers.

WASHINGTON, June 2.—The helium filled balloon piloted by J. P. Norfleet, which left Milwaukee at 3:40 p. m. Wednesday, landed at 5 a. m. today near Hancock, Pulaski county, Mo., the navy department was notified early today.

Commander Norfleet was forced to descend on account of a leak in the gas bag.

One in Illinois.
The army balloon under command of Captain Weeks landed about four miles from Urbana, Ill., today at 3:05 a. m., according to a telegram received from him. The bar of the balloon was slightly damaged in the landing.

Three Yet in Air
CHICAGO, June 2.—Three entrants in the national balloon race which started from Milwaukee Wednesday morning, presumably were still in the air at noon today. No report of their whereabouts had been received at that hour.

The balloonists still unaccounted for were Major Oscar Westover, in an army balloon, Lieut. M. F. Reed, in a naval balloon, and H. F. Honeywell, a civilian of St. Louis.

Six of the original 13 starters were unaccounted for when the day started, but they were reduced to three later in the morning when reports of the landing of three of them became known.

FATHER OVERPOWERS HIS GUARD; LEAPS TO DEATH

(By the Associated Press)
BEAUMONT, June 2.—Charged with the murder of his 16-year-old son Saturday night and suffering from self-inflicted wounds in the neck, R. L. Maxson, under guard on the fourth floor of a local hospital, knocked his guard, J. J. Powers, in the head with a water bottle, and overpowered and disarmed him, fought off two nurses who sought to help the guard, and leaped to his death from the porch of the fourth floor balcony, which adjoined his room. He took the leap at 2:45 this morning.

AIREDALE TERRIER RECOGNIZES VOICE OF HIS MASTER HEARD ON RADIOPHONE

"Jerry" with radio receiving apparatus listening to his master's voice.

"Jerry" is the pet Airedale of Dean F. Paul Anderson of the University of Pittsburgh. "Jerry" misses his master when he's absent. So Dean Anderson has conceived the idea of comforting the dog when away by talking to him by means of radio. Jerry wears his private receiving set for the occasion.

SCHOOLS IN NEED OF MEETING HALL

Proposed Memorial Would Be Great Asset Says Linscheid Today

In a ringing statement issued today, Dr. A. Linscheid, president of East Central Teachers College, styled the proposed memorial convention hall "an absolute necessity" to the city and urged the voting of \$110,000 in bonds for that purpose June 6.

Following is his statement: "A few days ago Mr. Polly stated that the citizens of Ada owe a debt to the American legion boys and that this should be borne in mind when the memorial bond issue is voted on. No truer statement was ever made than that not only Ada, but the entire country as well, owes a debt to the men who saved civilization during the dark days of 1917 and 18. We all owe a debt to these men and we should prove by our actions that we were sincere when we told them at the time of their departure for the fields of France that we would gratefully remember their sacrifices. It is up to all of us to show that those fine words were something more than mere sound.

"But it is not merely the repayment of an obligation which we owe that should be considered. I desire to call attention to the fact that the memorial hall will be an asset to Ada second only to her churches and her schools. The proposed bond issue will provide us with a splendid convention hall with a seating capacity of nearly 2500 people. This will enable fraternal, religious, and civic organizations to bring statewide conventions here. Nothing is of greater value to a town than this. Moreover, the convention hall will provide permanent quarters for the two units of the national guard now located here, thus assuring the continuance of these units in Ada. These units are a valuable asset to the citizenship in normal times, and may prove to be indispensable in abnormal times. It will furnish a permanent home for the Boy Scouts for the Federated Women's Clubs, for the W. C. T. U. and for the Chamber of Commerce. It will furnish us with a community center, thus drawing the whole city into a closer fellowship.

Commencement Shows Need.
"When the Teachers College had its baccalaureate sermon, there was no auditorium in Ada big enough to accommodate the people who came out; the same condition prevailed when the high school has its baccalaureate exercise and its commencement. There is no hall in Ada big enough to accommodate local meetings, to say nothing of meetings of a state wide nature. Fraternal, religious, and civic organizations need this hall. The laboring people need it; they need a place where they may hold gatherings without expense. Everybody in Ada needs it. There is not a single group of individuals or a single citizen who will not be benefitted by the proposed memorial.

"The point that I am trying to emphasize is that the memorial hall would be an excellent investment for the city of Ada if considered only from a civic standpoint; if we could forget the needs of the American people.

MORGAN WINNER OF NOMINATION FOR GOVERNOR

(By the Associated Press)

MILWAUKEE, June 2.—Attorney General William J. Morgan, who led the fight two years ago on the slate backed by the non-partisan league, was nominated on the first ballot today for governor by the Republican state convention.

Dr. W. A. Griffith, president of Terrell college, Kenosha, was the unanimous choice of the convention for senator to oppose Senator La Follette, who aspires to another term. A full state ticket was placed in the field.

The convention adopted a lengthy platform denouncing radicalism, endorsing the stand of the United States in the war and condemning the attitude of La Follette. Plans were laid to fight the La Follette faction to a finish in the primary which will be held in September.

TWO FLIERS ARE KILLED IN CRASH

Aviators Burned to Death When Plane Collides at El Paso, Tex.

EL PASO, June 2.—Ben Jenkins Jr., of El Paso, a lieutenant in the reserve corps, and Sergeant Arthur Juegling, of the Twelfth Observation Squadron of Fort Bliss, were burned to death today when their plane crashed against the side of a mountain and was destroyed by fire.

Jenkins and Earl Evans, another lieutenant in the reserve corps, were at Fort Bliss using two army planes for practice. The machines were close together when the accident occurred.

The bodies of Lieutenant Jenkins and Sergeant Juegling were consumed and only ashes was left of the plane.

Besides the two men in the accompanying machine, hundreds of soldiers and scores of civilians saw the accident. Nobody, however, was able to reach the victims to render aid.

Sergeant Juegling's home is in Columbia, Ill. He accompanied Lieutenant Pearson when the latter made the survey of the Grand Canyon of Arizona last fall to detect air currents and prepare a map for the government. The crash was the first fatality in the El Paso military district.

State Banks Liable to Assessment Due at Time of Change

OKLAHOMA CITY, June 2.—State banks which were granted national charters following the failure of a number of banks this year are liable to the state fund for their part of the warrants of indemnity against the fund at the time they received national charters, according to an opinion submitted today by William H. Zwick, assistant attorney general, to Roy Wolcott, acting state bank commissioner.

Such banks are also liable to one-fifth of one per cent of their annual assets.

M. D. TIMBERLAKE INQUEST HELD UP BY STATE OFFICE

Hearing in Death of Local Banker Now Scheduled For Next Thursday

GORE NOT PRESENT

Assistant Attorney General Thinks Hearing Will Last Few Hours

An inquest into the death on December 14, 1921, from gunshot wounds, of M. D. Timberlake, vice-president of the First National bank, called for today, has been postponed until Thursday, June 8, according to word received by Sheriff Bob Duncan from Assistant Attorney General N. W. Gore.

Preliminary testimony in the case was taken last Friday when Gore came to Ada and heard the story of three witnesses. The hearing today was to have been public. Cause for the delay had not been ascertained this afternoon.

Following his appearance here last week, Mr. Gore denied that the attorney general's office had come into the investigation upon its own initiative, asserting that the examination of witnesses, in the form of a coroner's inquest, had been ordered by Governor J. B. A. Robertson. At that time, Gore added that nothing of a sensational nature had developed and predicted that the inquest would last only a few hours, once it is under way.

British Will Remit \$225,000,000 As An Installment on Loan

LONDON, June 2.—The government has completed arrangements to pay during the fall \$225,000,000 to the United States as interest on the war loans to Great Britain. It has not yet been decided whether a special commission will be sent to meet the one appointed by the United States to deal with the matter of funding the debts of foreign nations to the United States.

WASHINGTON, June 2.—Announcements of Great Britain's preparations to pay this country \$100,000,000 next fall as interest upon that government's war debt to the United States, has reached the allied debt funding commission only by newspaper reports, it was officially stated today.

Payments of interests by Great Britain in the fall have been apparently counted upon for sometime by this government, as estimates of receipts for the coming fiscal year transmitted to congress by Secretary Mellon, contained an item of \$200,000,000 as receipts from England and interest during the war.

So far, however, official maintained no definite word has been received from Great Britain regarding opening of negotiations for the funding of the English debt, although the commission has announced it was ready to begin such discussions at any time.

It is stated in British quarters that feeling in the United States is believed to favor negotiations for the funding of the allied debt be taken up first with Great Britain, since she is the largest debtor. Thus a model for other negotiations would be established also, it was pointed out.

FRENCH BUSINESS LEADERS ARRIVE TO STUDY CONDITIONS IN THE U. S.

The trio greeting New York harbor on their arrival. Left to right, Maurice Boyers, Gen. Gaston Gassouin and H. H. Finaly.

This group of three leading business men from France has arrived in the United States to review conditions and study business methods in this country. General Gassouin is the director of the French branch of the Standard Oil Company.

Chinese President Will Retire Before His Ictitious Foe

PEKING, June 2.—President Hsu Shi Chang, who yesterday resigned under pressure, will retire to Tientsin, leaving the president's palace to his successor, who in all probability, will be Li Yuan Hung, former president.

Members of the old parliament meeting at Tientsin have requested Li Yuan Hung to resume the presidency from which he resigned in 1917 when the militarists obtained control. It is expected that Li will come to Peking to take office until the full parliament holds a regular election.

President Hsu's resignation was announced in a mandate published today. The Liberal press of China today acclaimed the retirement of Hsu Shi Chang as the opening of a new era in the country.

400 CADETS ARE GREETED FRIDAY

Another Roosevelt Speaks To Graduating Class at Annapolis.

(By the Associated Press)

ANNAPOLIS, Md., June 2.—Members of the naval academy graduating class again today were presented their diplomas by a Roosevelt. Today it was Theodore Roosevelt, son of the late president, who, as acting secretary of the navy, due to the absence of Secretary Denby, welcomed the more than four hundred midshipmen of the class of 1922 to places in the permanent naval establishment of the United States. He endeavored to impress upon the graduates that they were starting a life service.

The graduates were told by the secretary that the qualities they must have for success are the "great fundamentals—loyalty, courage, determination."

But above all, he said, they must be leaders of men.

"The qualities needful for commanders of troops are the qualities you must possess to the highest degree," he asserted. "They are many and varied, but of all these qualities there is none so great as absolute squareness. You may demand obedience by your rank, but unless you command loyalty developed by your character those under you will never serve you as they would otherwise. Instead of having your men swear at you, have them swear by you."

COTTON CONDITION IS HIGHER THAN LAST YEAR

(By the Associated Press)

WASHINGTON, June 2.—Condition of cotton on May 25, was 69.4 percent normal, compared with 66 percent last year, 62.4 percent in 1920, 75.6 percent in 1919 and 74.6 percent for the ten year average, the department of agriculture said today in the first condition report of the season. A forecast of production was not issued but will be announced with the estimate of cotton average in July.

The condition of May 25 for Oklahoma was 67 percent. Some orchids take five years to bloom.

MOVIE PRODUCER LOSES FIGHT TO SHOW FATE FILM

Injunction Petition Is Denied This Morning By District Judge

IS BRANDED INDECENT

Representative of Picture Swears Other Cities Have Favored It

District Judge J. W. Bolen overruled today a petition for injunction, sought by the Metropolitan Picture corporation and L. C. McHenry, its representative, to keep city officials from forbidding the showing at the American theatre here of "Fate," a Clara Smith Hamon picture.

Mayor W. H. Fisher ordered the exhibition stopped yesterday afternoon and the litigation was taken into district court this morning. Wick Adair, chief of police, and the city commissioners were named as defendants in the petition. Eleven hundred dollars in damages, alleged to have resulted from the order forbidding the picture to make its 3-day run in Ada, was asked.

McHenry, when placed on the stand, declared the picture had passed censorship by the New York board and presented numerous documents from theater owners and others endorsing the production. When questioned as to whether it conveyed any valuable lesson, he asserted that it stressed the need of temperance.

Under close examination, McHenry admitted the picture had shown in no big towns of Oklahoma but said it was booked for Tulsa later this month. He denied that Ardmore had refused to let the production run in one of its theaters.

New Ordinance Adopted

U. G. Winn, representing the producers, outlined the case for the plaintiff and set out in his statement that the city had no ordinance to prohibit the exhibition of pictures of any kind here. In the defense's answer, Robert Wimish showed that an ordinance with an emergency clause making it effective at once was passed by the board of city commissioners Thursday afternoon. The defense demurred to the plaintiff's petition but it was overruled.

The new ordinance, as presented by the defense, makes it illegal for immoral pictures to be shown or exhibited, setting the fine at from \$10 to \$20.

When "Fate" was put upon the screen yesterday afternoon at the American theater, McHenry said in his testimony, Chief of Police Wick Adair appeared and said he had a complaint and must investigate the performance. After he had been in the theater about ten minutes, the witness declared, other policemen called him out for a consultation and soon thereafter he announced that Mayor Fisher had ordered the film stopped.

McHenry said he had consulted a local attorney before putting the show on the canvas and had learned there was no city ordinance to conflict.

1572 Are Enrolled As College Brings First Week To End

Students at the college will be given a rest tomorrow from the rush and jam of the first few days of the summer session of the Teachers college. Most of the students were expected to remain here over the week-end to become further acquainted with the city.

Many adjustments were made this week and all difficulties have been removed to allow school routine work to continue. Most of the classes have started regular session with a full attendance and promise to be in their best condition by Monday.

The second general assembly was held this morning at 9 o'clock at which time students were addressed by Judge A. F. Vandeventer of Bartlesville. The auditorium was filled and many of the 1,572 students enrolled could not find standing room.

Several hundred extra students were expected to enroll Monday, as many schools in the district did not close until today.

Heavy Firing Along Irish Border Today Reported in Notices

(By the Associated Press)

BELFAST, Ireland, June 2.—Heavy firing between Irish republican forces and Ulsterites is fleeing for safety. At the Irish republican headquarters it was claimed that they had suffered no casualties.

BIBLE THOUGHT OF TODAY

ASA'S PRAYER:—Lord, it is nothing with thee to help, whether with many, or with them that have no power: help us, O Lord our God; for we rest on thee, and in thy name we go against this multitude.—2 Chronicles 14:11.

AFTER LaFOLLETTE'S SCALP.

Senator LaFollette is another senator who must fight hard for his political life this summer. He has been denounced by the republican state convention and a candidate named to contest his nomination in the primaries. His attitude during the war was roundly criticised and will be an issue in the campaign. LaFollette is one of the hardest scrappers in political life today and it is due to this fact that he has held on as long as he has. However, times have changed and even if he beats his Republican opponent he will have to meet the Democratic nominee in November. His enemies will put forth a supreme effort to beat him in the primary but matters have reached a point where it is likely that many of them will vote for a Democrat rather than see him retain the power he has held so long in Wisconsin politics.

A writer in a current periodical states that the difficulty in reducing the number of government employees in the various departments at Washington lies in the fact that every department head, while zealous for reduction of government expenses and a cutting of the force of clerks, wants his own force left intact and the other fellow's crew reduced. Each has many friends whom he is under obligations to take care of. Hence the difficulties faced by General Dawes in revising the budget of the government.

The European nations that participated in the disarmament conference at Washington do not show any particular haste in ratifying the treaties signed there although the United States has led the way by ratifying them all. The old trait of distrust and suspicion is too firmly imbedded in the minds of European diplomats to be eradicated by a mere treaty or two.

In spite of the signing of half a dozen peace pacts during recent months, the war in Ireland goes merrily on. The British government now threatens to take charge again unless the Irishmen stop shooting one another and settle down to business.

The Tulsa World intimates that efforts are still being made in Democratic circles to have Wilson and Owen withdraw from the race for governor and place Elmer Thomas in the field against Walton. However, nothing has been said by either of the three men mentioned.

An exchange carries a story about a New York judge ordering a woman to cook her husband's meals. However, if the poor fellow is ordered to eat what she cooks she will have the grab on him. Just think what sort of stuff she can dish up and then give him the horse laugh if he kicks!

Paint is an unfailing sign of local pride and prosperity. When a stranger sees a well painted and clean looking town he decides at once that this reflects the spirit of the people and desires to become one of them.

The bonus bill has been reported favorably to the senate, but the advocates of the tariff bill will be slow to give it a hearing. Its chances for speedy passage are rather slim at present.

A shady past record is a hard ghost to escape from. No matter where a man goes and how well he conducts himself his past record will eventually overtake him. Crookedness never pays.

Judging from the fact that two or three men have filed in the primary to contest the Republican nomination for congress with Miss Alice Robertson, it is not a matter of ladies first with the male members of her party.

An education can do much for a person, but unless there is a foundation on which to build character the process of educating an individual is like trying to polish a brick bat by the same means employed in giving a diamond its lustre.

A bunch of lies scattered broadcast is like a bag of feathers emptied in the wind; there is no such thing as gathering them all up again.

Some self-made men are so well satisfied with the job that they stop when only half finished. A few more touches would help the situation greatly.

Trying to reform some men is like the old saying about turning a sow's ear into a silk purse as many a woman has found to her sorrow.

The weather man has not yet favored Pontotoc county with as much sunshine as the crops need, but the farmers are not losing any time. They are going their limit.

BLOW HIM OUT OF THE TRENCHES!

The Forum of the Press

The Press and Public Education.
(Chickasha Express)

Dr. J. J. Tigert, commissioner of the United States Bureau of Education, after his observations on a recent trip which took him over a large part of the country, declares that there is need for a great public awakening on the subject of education, and he calls upon the press to come to the aid of the school system of the nation.

"There is no single factor that can do so much for the promotion of public education in the United States as can the press of the country," Dr. Tigert declares. "I have just returned from an extended trip through several of the far-western states and I have been telling the people of those states that what is most needed today is not larger salaries for teachers, or more consolidated schools, or longer school terms, or better school buildings and equipment, but an enlightened public consciousness of our educational system."

"There is evident in some places a reactionary tendency regarding our schools and the only way in which this can be successfully fought is through a general public awakening and understanding as to what our public schools really mean to our American democracy. The press can render inestimable service to the cause of public education, if it will take an active interest in educational matters. With the aid of the limelight of the press, it will be much easier to overcome the difficulties that still exist in many parts of the country in the way of giving every American boy and girl such opportunities for that kind and degree of education that will best fit him or her for a life of the greatest usefulness in our great democracy."

With a full recognition of the important place which public education must have in such a country as ours there is little doubt that our people will ever permit our school system to suffer. The general business and industrial situation has been such that retrenchment in expenditures, personal and public, have been necessary, with the consequence that the cost of education should be cut, but when it is remembered that last year the people of the United States spent far more for cigarettes and cigars than on public education, and nearly half as much for paints and powders, it is evident that there are other places where retrenchment can better be applied than to the public schools where 27 million boys and girls are being trained for citizenship. If we can have the public awakening which Dr. Tigert declares is needed, education will be given first place in the thought of our people and we shall be willing to make any needful sacrifice to improve our school system till it reaches the highest point of efficiency.

That Skeleton Again.
(Kansas City Journal)

Like all European celebrities who visit this country, Mrs. Asquith went home and pronounced her opinion of the American people. Lady Astor, arriving in Southampton after her American sojourn, does the same. "The heart of America, like that of England, is sound and true to the core," she said.

Surely this is not all Lady Astor found out about us. She need not have gone to the trouble of crossing the Atlantic to find that the American heart, like that of England, is true to the core, whatever

that might mean. No, there is more: "Americans want peace and they want the league of nations."

Lady Astor was getting along splendidly in her analysis. She said the heart of America, like the heart of England, was true to the core, and indicated her usual faculties of observation by remarking that Americans want peace. Then she makes an awful error. Like a democrat campaigning for the senate in 1922 on the issues of 1920, she goes to the family closet and drags out that well known skeleton, the league of nations. There it is, the old skeleton everybody wanted to forget. Lady Astor holds the thing in our faces, rattles its bones and says we want it.

Ever since Lady Astor sailed, the country has been holding its breath to find out what she would have

Political Announcements

The News is authorized to announce the following as candidates for the offices named, subject to the action of the Democratic primary.

State Offices

FOR DISTRICT JUDGE:

Rheumatism at 60

S. S. S. Thoroughly Rids the Body of Rheumatism Impurities.

How glorious you will feel, mother, when your rheumatism is all gone. Let S. S. S. do it. It will build you up, too!

Somebody's mother is suffering tonight! The scourge of rheumatism has wrecked her body; limping and suffering, bent forward, she sees but the common ground, but her aged heart still belongs to the stars! Does anybody care? S. S. S. is one of the greatest blood-purifiers known, and it helps build more blood cells. Its medicinal ingredients are purely vegetable. It never disarranges the stomach. It is, in fact, a splendid tonic, a blood maker, a blood enricher. It banishes rheumatism from joints, muscles and the entire body. It builds firm flesh. It is what somebody's mother needs tonight! Mother, if you can not go out to get a bottle of S. S. S. yourself, surely somebody in your family will. Somebody, get a bottle of S. S. S. now! Let somebody's mother begin to feel joyful again tonight. Maybe, maybe it's your mother! S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

Which is Larger the Sun or a Cent?

"Why—the sun of course" you will say. But remember—you can hold the cent so close to your eye that you lose sight of the sun.

Some baking powders can be bought for a few pennies less than Calumet—but don't hold these cents too close to your eyes—you will not be able to see the quality—the purity—the dependability of

CALUMET BAKING POWDER

In other words, don't be deceived by a few pennies—the cheapest baking powder in price is often the most expensive.

When you buy Calumet you know that it will produce pure, sweet, and wholesome bakings. You know that you use less because it contains more than the ordinary leavening strength.

Buy it—try it—be convinced. A pound can of Calumet contains full 16 ounces. Some baking powders come in 12 ounce instead of 16 ounce cans. Be sure you get a pound when you want it.

Stein-Bloch Smart Clothes

**Cheap Clothes Are a Boomerang That
Recoils Upon the Wearer**

Among the natives of Australia this proverb is current "Folly is struck by its own boomerang." A thin, curved piece of wood, sharpened to a razor edge, is catapulted into the air, so that, turning a complete circle, it hurls back with incredible viciousness and velocity, straight at the thrower. Cheap clothes are a boomerang which recoils upon the wearer. Stein-Bloch Clothes are a possession in which the unlimited pride you take makes you forget the limited price you paid.

ELECTION PROCLAMATION

Under and by virtue of Section 27 Article 10 of the constitution of the State of Oklahoma, an ordinance No. 476 of the City of Ada said State authorizing the calling of an election for the purpose hereinafter set forth, passed and approved the 9th day of May, A. D. 1922.

I, the undersigned Mayor of the said City hereby call an election to be held in said City on the 6th day of June, A. D. 1922, for the purpose of submitting to the qualified tax paying electors of said City the following:

"Shall the City of Ada in Pontotoc County, State of Oklahoma, incur an indebtedness by issuing its negotiable coupon bonds in the sum of \$110,000.00 to provide funds for purpose of purchasing site for Convention Hall and Community House, erecting Convention Hall and Community House thereon, and purchasing Convention Hall and Community House equipment, to be owned exclusively by the said City, and levy and collect an annual tax, in addition to all other taxes, upon all of the taxable property in said City sufficient to pay the interest on said bonds as it falls due and also to constitute a sinking fund for the payment of the principal thereof at maturity, said bonds to bear interest not to exceed the rate of five (5) and one-half per centum per annum, payable semi-annually, and to become due within twenty-five years from their date."

The ballot to be used at said election shall set out the proposition as above set forth and shall also contain the words:

1. ☐ For the above Proposition
2. ☐ Against the Above Proposition.

(If the voter desires to vote for the above proposition he shall stamp an "X" in the first square above; if he desires to vote against the above proposition he shall stamp an "X" in the second square above.)

The polls shall be opened at 7 o'clock a. m., and shall remain open continuously until, and shall be closed at 7 o'clock p. m.

The number and location of the polling places shall be as follows:

Ward No. 1. City Hall.
Ward No. 2. Sudden Service Garage, 113 North Broadway.

Ward No. 3. 200 West Main St.
Ward No. 4. 217 West 12th St.

The officers to conduct said election shall be:

Ward No. 1.—John W. Beard and H. J. Huddleston, judges; C. M. Chauncey and M. O. Matthews, clerks.

Ward No. 2.—Edwin Wright and P. T. Drummond, judges; Claude Logsdon and C. P. Lehr, clerks.

Ward No. 3.—Robert Ellis and Martin Hively, judges; F. S. Houpt and W. E. Healy, clerks.

Ward No. 4.—O. J. Davidson and Lon A. Braley, judges; Bart Smith and T. J. Emery, clerks.

Such officers shall act as counters.

Witness, my official hand as Mayor of said City affixed this 23rd day of May, A. D. 1922.

Attest: (Seal) J. C. Deaver, city clerk.

(Published May 26, 27, 29, 30, 31, and June 1, 1922.)

Notice to Property Owners
Paving Resolution No. 11-2

A resolution adopting specifications and estimates of quantities and costs for the paving with concrete and otherwise improving of Street Improvement District No. 11, same being South Broadway from the south line of Twelfth street to the center line of Thirteenth street together with street intersections and alley crossings, all in the City of Ada, Pontotoc county, Oklahoma.

Be it resolved by the Board of Commissioners of the City of Ada, Pontotoc county, Oklahoma.

First: That acting under instruction of the Board of Commissioners, the Engineer has made the necessary surveys, and has prepared and presented complete and accurate specifications and estimates of quantities and costs of the improvement to be presently described, which specifications show the material thereof, and which specifications are hereby approved and ordered filed with the City Clerk of the City of Ada, Oklahoma.

Second: That it is necessary to permanently improve with concrete, said portion of Broadway, as set out in the caption of this resolution which portion of Broadway is hereby designated Street Improvement District No. 11, of the City of Ada, Oklahoma, by paving, grading, draining and otherwise improving same in accordance with such approved plans, specifications and estimates of cost thereof, so filed with the City Clerk.

Third: That if the owners of more than one-half (1/2) in area of the lots and tracts of land liable to assessment to pay for such improvements shall not within fifteen (15) days after the last publication of this resolution, file their protest in writing against such improvement, then the Board of Commissioners shall cause such improvement to be made and contracted for, and shall levy therefor against such lots and tracts of land liable to assessment to pay for such improvements, as provided for in Sections 608 to 646, Article XII, Chapter 10, of the Revised Laws of Oklahoma, 1910, and amendments thereto.

Fourth: That this resolution shall be published in six consecutive issues of the Ada Evening News, a newspaper published daily, and of general circulation in the City of Ada, Oklahoma.

Fifth: That all resolutions or parts of resolutions in conflict herewith are hereby repealed.

Passed and approved this 23rd day of May 1922.

CITY OF OKLAHOMA.
By W. H. Fisher, mayor and commissioner of Public Justice and Safety.
Attest: (Seal) J. C. Deaver, city clerk and commissioner of Accounting and Finance.
5-24-10td

(Published May 26, 27, 29, 30, 31, 1922 and June 1, 2, 3, 5, 6, 1922)

Notice to Paving Contractors.

Notice is hereby given that in pursuance to Paving Resolution Nos. 3-2 and 10-2, passed by the Board of Commissioners of the City of Ada, Oklahoma, on the 26th day of May, 1922, sealed bids will be received at the office of the City Clerk of the said City until 2:00 o'clock p. m. on the 7th day of June, 1922, for the furnishing of the materials and the performance of the work necessary for the paving and otherwise improving in the manner and subject to the conditions hereinafter set out, of portions of the avenue and street in the following street improvement districts in the City of Ada, Pontotoc county, Oklahoma, heretofore established by resolutions passed by the Board of Commissioners, to-wit:

Street Improvement District No. 6. South Townsend Avenue from the center-line of Twelfth Street to the South line of Twentieth Street, including street intersections and alley crossings on the above described avenue in the City of Ada, Oklahoma.

Street Improvement District No. 10. West Seventeenth Street from the West line of Broadway to the East line of Townsend Avenue, in the City of Ada, Oklahoma.

The cost of such improvements on said avenue and street including street intersections and alley crossings shall be borne and paid by the owners of property benefited by such improvements upon the said avenue and street hereby ordered to be improved.

The entire cost of said improvements on said portions of such avenue and street shall be separately apportioned to and levied and assessed against the abutting property liable to assessment therefor, and the owners thereof, in accordance with the provisions of the State Laws of Oklahoma governing the same.

The plans and specifications for the improvement of the said avenue and the said street have been separately prepared by the city engineer and have been adopted by the Board of Commissioners and include and set forth in detail all the different materials and plans and methods of construction hereinafter set out. The plans, plat, profiles, specifications and estimates are on file in the office of the City Clerk.

For each improvement district the class of pavement to be constructed shall consist of single course plain concrete six (6) inches in thickness.

Bids shall be submitted upon proposal sheets to be furnished by the City Engineer, and each bid must be accompanied by a certified check of some solvent bank in the State of Oklahoma, or a satisfactory Bidder's Bond in the amount of approximately five (5) percent of the total cost of the work based upon the Contractor's bid. The Board of Commissioners of said City reserve the right to reject any or all bids on each district separately, and bidders are cautioned to observe all the conditions set out in the specifications and bidding sheets.

Each bidder shall accompany his bid with a sworn statement in writing that the bidder has not, directly or indirectly, entered into any agreement, expressed or implied, with any other bidder or bidders, having for its object the control of the price and amount of such bids, or limiting the number of bidders.

No bidders shall divulge sealed bids to any person whatsoever except those having a partnership or other financial interests with him in said bid, until after the said bids are opened. The violation of any of the foregoing provisions on the part of the bidder shall make void any contract made by him with said City based upon his bid, all as provided in Section 1, Article IX, of the charter of the City of Ada, Oklahoma.

Bids received as aforesaid will be opened and considered by the Board of Commissioners at a meeting to be held at the City Hall in the City of Ada, Oklahoma at 2:00 o'clock p. m., on the 7th day of June, 1922. All bids are required to be placed on file in the office of the City Clerk for inspection for forty-eight (48) hours after opening before the award or rejection of bids can be made.

The contract will be awarded for each district to the bidder submitting the most advantageous bid therefore, who will undertake and perform the work and furnish the materials according to the plans and specifications contained in the resolution of the Board of Commissioners declaring in each instance, the necessity of, and providing for the improvement of the said avenue and street. A copy of such resolutions will be furnished to bidders upon application therefor at the office of the City Clerk.

The Contractor shall receive for the above work, including printing and appraising, Street Improvement Bonds at their par value against the abutting property according to Sections 608 to 646, Article XII, Chapter 10 of the Revised Laws of the State of Oklahoma, 1910, and amendments thereto.

The Contractor to whom a contract may be awarded will be required to execute and furnish the City a good and sufficient Construction Surety Bond in amount equal to fifty (50) percent of the whole bid, conditioned for the full and faithful execution of the work, and the performance of the contract.

The Contractor will also be required to execute and furnish the City a good and sufficient Statutory Surety Bond in the full amount of each contract awarded him, running to the State of Oklahoma, which bond shall guarantee the payment of all bills for tools, machinery rental, labor and materials used in or about the construction of the work on each separate district. This bond shall be presented to the City at the same time as the Construction Bond, and after being approved, shall be filed with the Court Clerk of Pontotoc county.

The Contractor shall also furnish before the allowance of the final estimate and acceptance of the work, a Maintenance Surety Bond in amount of approximately three (3) percent of the cost of the work in

each district he has contracted for, conditioned for the maintenance in good condition of the paving, curbing and drainage for a period of five (5) years from the time of completion and acceptance by the City.

Complete plans and specifications can be seen and consulted in the office of the City Engineer, Ada, Oklahoma. Plans and specifications are also on file in the office of the City Clerk of Ada, Oklahoma, and may be examined by all persons interested.

Dated this 26th day of May, 1922.
J. C. DEEVER,
City Clerk and Commissioner of Accounting and Finance, 5-26-10td

HONOR CONVICTS WITHOUT GUARDS BUILD HOSPITAL

BATTLE CREEK, Mich.—Un-guarded, and without one restriction 48 "honor men" from the Michigan State Penitentiary at Jackson are being given their "big chance" at Camp Custer, near here.

These men are engaged in building an addition to the American Legion hospital at Custer. They are to be engaged there for the remainder of the summer as workmen, not as convicts, and if when the work has been finished they have justified the confidence placed in them, they will be paroled and walk for all time from under the shadow of the prison, despite the fact many of them still have several years to serve, according to their commitment papers.

The plan is an experiment in prison honor that is described by penologists as one of the most remarkable on record. Soon the 48 are to be joined by 40 others from the cell blocks at Jackson.

These men have been permitted to come here unattended and to work their way to freedom merely by doing a good day's work every week day for the remainder of the summer and by remaining on the camp reservation. To date but one violation has been recorded after nearly a month of the experiment. One prisoner violated the parole and has disappeared. The remaining men have formed an organization, with its distinct coat system, and have sworn to each other that they will not break the faith.

Some of the men at Custer declared on their arrival that this was the first time in years they had slept outside the cell blocks. A large percentage of them are being given an opportunity to shorten their sentences by years.

Each of the workers receives a daily wage, the money being sent to the prison officials. Men making good will receive this money when they have fulfilled their part of the honor contract.

The experiment is being tried at the suggestion of Harry L. Hulbert, warden of Jackson prison.

VISIBLE VOTERS' LEAGUE FORMED

Crow Heads Anti Body of 68 Members As It Plans Attack

In pursuance of a call issued by several voters of the city, a large crowd gathered at the court house Thursday evening and an organization was effected for the purpose of combating the influence of the Ku Klux. A total of 68 names were signed to the membership papers circulated through the crowd during the course of the meeting.

The gathering was called to order by L. R. Clark, who explained objects of the meeting in course of a few remarks mentioned secret political organizations in the history of the United States, expressing his disapproval of secret methods in politics.

J. L. Flowers was elected temporary chairman of the meeting and P. H. Deal secretary. George W. Burris made a short talk expressing his disapproval of the Klan and its methods. He said when the war broke out Catholics and Jews alike enlisted under the colors and many of them paid the extreme price in making the world safe for democracy, but that when they reached home they found an empire organized to run things in secret.

In moving to go into a premanent organization Judge J. W. Bolen made some remarks concerning the situation and the necessity of meeting organization with organization, since "individuals could do but little in the face of organized opposition." He declared that the Klan is trying to run everything and is trying to gain control of the schools of the county. He said he was fighting the "kluxers" and appealed to the citizenship of the county to join him. He believed in things being done in the open with all having a chance. The Klan controlled the recent city election, he said, and he invited everybody to be present at the next meeting at which time he promised to expose "means by which they did it." The Klan is behind certain candidates from governor to constable, he declared.

They Met in Pasture? He asserted that about 275 members of the Klan had met a week before in a pasture near Roff and decided that to cope with the situation every school district should effect an opposition organization.

He stated that one man in the county controls the Klan and that its members would follow his orders in everything.

Judge Bolen moved that the organization be called the Visible Democratic Voters League, but J. E. Malloy offered an amendment to call it the Visible Voters League in order that the membership be not limited to the Democratic voters. This was agreed to. A. M. Crow was elected permanent chairman and P. H. Deal secretary.

A committee composed of Geo. W. Burris, A. R. Sugg, John Blanford and Bill House was appointed to canvass the audience for signatures to the membership roll and E. E. Ulschey was appointed to take charge of a canvass of the city for members.

A resolutions committee was appointed consisting of Geo. W. Burris, I. M. King and J. R. Lea. This committee will report at the next regular meeting which will be Thursday evening of next week.

Here are the members.

Following is the list of members who signed at the meeting:
H. J. Conley, N. C. Conley, L. L. Bloomingkemp, P. S. Cash, M. W. Ligon, E. G. Cox, Geo. A. Harrison, Jeffie Pigg, Emory Martin, M. Lancaster, Jim Ellis, Irwin Thompson, R. D. Milligan, L. Shea, Frank Colbert, S. R. Sanders, A. M. Creech, Jas. W. Lillard, J. R. Lea, B. B. Shaw, Jim Daniel, John Daniel, M. C. Roper, W. N. Walker, D. R. Slagle, W. P. Mitchell, J. C. Ragin, W. F. Creech, O. V. Daniel, I. T. Brumley, P. J. Brumley, C. W. Dungey, K. S. Edwards, E. J. Farley, W. B. McDaniel, J. H. Feaster, Henry Kroth, T. W. Brydla, O. C. Walker, W. F. Brunrett, J. M. Byrd, J. J. Blocker, D. N. Coleman, Jno. C. Blanford, C. F. Morris, O. J. McKinney, W. W. Hensley, E. S. Smith, E. S. Collier, G. W. Braly, W. G. Martin, Edwin Wright, L. R. Clark, F. W. Anderson, E. D. Linscott, John Farrell, Lon Braly, W. F. Anderson, R. L. Randall, J. S. Chadd, J. E. Malloy, T. J. Manow, Neal Winfield, E. J. Fant, J. L. Malloy, P. H. Deal, J. L. Flowers.

MEETING OF FOUR RAILWAY UNIONS IS DUE TUESDAY

(By the Associated Press)
CINCINNATI, Ohio, June 2.—Whether or not the four transportation brotherhoods will attend the conference called to meet here was a question among railroad men following the announcement that the conference would be held here next Tuesday.

The railroad board declared it will be July before it reaches the questions affecting the transportation brotherhoods, it is pointed out, and until some action is taken towards lowering their wages it is claimed that they will have no cause for complaint.

President Fitzgerald of the Brotherhood of Railway Clerks, denied last night that he had anything more than calling the conference more than getting an expression of opinion. It was said that the initiative was taken by H. M. Jewell, of American Federation of Labor, who will be in Cincinnati for the conference.

IT HELPED HER VERY FIRST DAY SHE DECLARES

Resident of St. Louis Says Tanlac Entirely Overcame Her Indigestion; Headache and Dizziness Are Things of the Past.

"Tanlac has made me well and strong and I shall always be grateful," said Mrs. J. Lammert, 4518 A. Oakland St., St. Louis, Mo.

"My stomach was so badly out of order I could hardly eat and digest enough to keep me going. What little I did eat caused a heavy feeling like lead with almost unbearable pains in the pit of my stomach. I was subject to awful headaches and dizzy spells and had such severe pains across the small of my back that I could scarcely bend over and straighten up.

"Tanlac helped me from the very first day I began taking it. Now I can eat just anything and never have a touch of indigestion or any other trouble. I am feeling fine and cannot praise Tanlac too highly."

Tanlac is sold by all good druggists.—Adv.

AIRPLANE LINE TO JOIN PARTS OF BIG EMPIRE

(By the Associated Press)
SYDNEY, N.S.W.—Details of the plan for the establishment of an Empire airship service between Great Britain, India and Australia have been received by the Prime Minister from Sir Joseph Cook, High Commissioner in London.

Six new airships, with a capacity of 100 passengers each, will be built under the scheme.

"Commander Burney and the Shell Oil interests have made the government an offer to take over airships and sheds, build new ships and provide a weekly service to Australia at fares less than present mail steamer rates," Sir Joseph said.

"The Syndicate requires the British, Indian and Australian governments to guarantee the interest on its capital of three million pounds sterling for ten years, but it is estimated that the guarantee will operate only for the first few years. The French government is willing to erect complete air stations at Paris, Marseilles and in Tunis and Algeria. The suggestion is subject to parliamentary ratification."

Study of the upper air on lines never before attempted in Australia will be undertaken soon by the Commonwealth Meteorological department, it was announced coincidentally with the receipt of Sir Joseph's message. Aerial forecasts will be a regular feature and maps will be compiled for the guidance of aviators.

Pilot balloons and sounding balloons will be used in the survey.

Let a News Want Ad get it.

Farmers' Column

By Byron Norrell

Agent Hill states that most oat crops are looking fine now and very little rust is to be seen. Some rust has appeared on the wheat blades. He reports finding some boll weevils in the cotton but does not think there are as many as were in evidence a year ago.

Plant Cowpeas With Kafir.
I have had considerable experience in growing cowpeas, much of which has been discouraging, says Thos. E. Peyton in Oklahoma Farmer. I believe I finally have worked out a plan which is successful and could be put in practice on thousands of Oklahoma farms. Many farmers have been unsuccessful in raising cowpeas when trying to grow them in corn, planting at the last cultivation, and in planting in oats or wheat stubble. Both of these methods may prove partly successful if there is sufficient moisture at that time.

If planted with kafir at the same time kafir is planted, cowpeas, being a warm weather crop, begin to grow while there is enough warmth and moisture in the soil to enable them to make a fair growth without becoming stunted. There is nothing that will come up more quickly than cowpeas, and when kafir and cowpeas are planted together there is a very good chance of a good stand of at least one crop. Perhaps, the greatest advantage of planting cowpeas with kafir is that May and June usually being two of our wettest months, the cowpeas will make wonderful growth in that time. If rain should come again later in the summer the cowpeas again will begin their growth. A rank growing variety as the Whip-poorwill or Ripper, should be planted.

As to planting cowpeas and kafir together, I have rigged up two hoppers on the same lister, taking an old hopper and placing it on a frame just behind the hopper on my lister. The rear hopper is driven by a chain and sprocket wheel on the shaft with which each hopper is provided. I prefer the lister when planting these crops, as it places the seed in a fairly deep furrow where they are better able to withstand drouth, and the plants are easier to keep free of weeds and grass. In planting these two crops, I do not run my subsoiler very deep but set my covering shovels on each side of the furrow to make a fair ridge of dirt in the middle of the furrow, so that in case of a heavy, dashing rain the washed dirt will not cover the small kafir plants.

I plant cowpeas with my kafir every year and produce good crops of both, the cowpea vines in many cases covering the entire space between the rows without injuring the kafir.

I also use the combined lister in planting soybeans with my corn, as the soybean, being a colder weather crop, may be planted at the same time as corn. Soybeans will make considerable growth without materially injuring the corn. However, I would not advise the planting of soybeans in any section where rabbits are a pest as they will destroy nearly all the soybean plants when they are small.

Addresses Feature Sunday School Meet At Allen Thursday

The Pontotoc County Sunday School convention was held at Allen Thursday. Features of the occasion were addresses on Sunday school work by Mrs. Nichols, field worker, and Mr. Peters, field secretary. The Sunday school of the First Baptist church was represented by the following delegates: Mr. and Mrs. Ridgely, Mrs. Crowder, Mrs. Westbrook, Mrs. McKeown, Mr. and Mrs. Robert Kerr and Miss Kate McKeown. No other Sunday school in Ada sent delegates.

One of the delegates stated that the Allen people entertained them royally and that the convention was a decided success in every particular.

BENNIE PAGE IS HERO OF BATTLE

Young High School Twirler Pitches Midget Squad to Victory, 1-0.

Another star has been discovered by the city baseball league. He is a Midget. And by pitching a hitless game against the Legion sluggers yesterday afternoon, he won a pitcher's battle against Kreiger and Ligon hoisting a banner of victory over the Midget camp by a score of 1 to 0.

The new star is Bennie Page, a right handed soft ball twirler. For the seven innings of the league game, he pitched consistently, was well backed in the field, and allowed only four extra men to come to bat. Although getting only eight strikes out, he made the batters hit weak infield balls, which were easy outs.

Bennie Page was with the high school last year. He has been playing with the Midgets in the city league. Ligon, going in the box for the first time in several years, was a wonder at striking out the youngsters and the only men to reach the bases while he was in the box were those he walked. He stopped work in the fourth, however, as he did not want to strain his arm. No hits were marked against Ligon. Kreiger pitched three innings for six strike outs, but in the sixth he allowed two hits, which accounted for the only run of the game.

Fielders had a day off yesterday, as their services were seldom needed in the Legion-Midget game.

Midgets on Top
This puts the Midgets well in the lead for first place, with the Legion standing second and the Clerks submerged in the cellar. College men have not played yet. Coach Thompson held a baseball meeting yesterday with about twenty-five out, and will have his men working after today.

	Box Score.	AB	R	H	PO	A	E
McCoy, 3b	----	4	0	0	0	1	0
Strohm, ss	----	1	0	0	3	0	1
Shipman, c	----	2	0	0	8	1	0
Page, p	----	2	1	1	0	3	1
Driskell, 2b	----	3	0	0	1	4	1
Anderson, cf	----	3	0	1	1	0	0
Wimbish, rf	----	3	0	2	0	2	1
Waddington, lf	----	3	0	0	0	0	0
Stalcup, 1b	----	2	0	0	6	0	0
		23	1	2	21	9	4

Summary.
Runs—Page. Earned runs—Midgets 1. Left on bases—Midgets 4. Legions 4. Passed balls—Midgets 1. Legions 2. Wild pitches—Ligon 1. Total bases—Midgets 15; Legions 5. First base on errors—Legion 2. Midgets 1. Bases on balls off Ligon 4. Page 3. Struck out by Ligon 9 in 4 innings; Kreiger 6 in 3 innings and Page 8 in 7 innings. Umpire, Bobbitt. Time of game 1 hour, 20 minutes.

RED CROSS WORKERS IN STATE CONFERENCE

OKLAHOMA CITY, Okla., June 2.—Approximately 90 Red Cross workers were here today to attend an annual state conference to be held under the direction of Miss Susan Ramsey of St. Louis, director of the Southwestern Division. Routine subjects connected with the work of the organization in this state are to occupy the attention of the conference. Special attention was to be given the question of disabled soldiers and those seeking compensation. The soldier bonus was also expected to be discussed.

College Campus

A short business session was held at three o'clock this afternoon by the Sigma Sigma Sigma sorority.

No afternoon sessions are being held by the college this week, the time being given over to re-classification and making adjustments. The large enrollment has caused many conflicts and faculty members have been taxed to the limit to "get things going."

There will be a student mixer on the college campus Monday evening. All students have been invited to attend. This is being given to bring students together and allow them to become better acquainted. Monday's event will be the forerunner of others, it was indicated.

Coach Thompson held a baseball meeting Thursday afternoon with about 25 men reporting. He believes with this material he will be able to put out a winning team in the city league. Several players of known ability will be on his line-up.

Many students are re-enrolling. A fee is charged for those who do a readjustment in this manner. This is done to guard against delays and conflicts.

A review of information cards at the college office shows that several families have enrolled. This includes father, mother, son and daughter in the high school and college division and the smaller children in the training school. Many families have rented homes here and are attending the school "en masse."

Already rumors of the "Old Man" who made his debut at the college two years ago, are beginning to float about the campus. The new students turn inquiring faces to those who have been here before for a solution to the mysterious "old man." Faculty members of the school say he is sure to come down from his home in the north and give them a feed, with chicken heading the bill.

Work on the campus has put it in a good condition. It was expected that with the coming of warmer weather, the shade afforded by the now well grown trees on the campus will be inviting to most of the students. "Campusology" promises to have the largest enrollment of any department of the institution.

Blonds usually have more beautiful hands than brunets, according to one manicurist of long experience.

Nurse Saves 2 People From Operation

"I had two patients that the doctors seemed unable to reach with their medicines and in both cases advised the knife. A friend who had tried May's Wonderful Remedy for stomach trouble proposed that I recommend it to my patients, which I did. Both are now entirely well. I am very glad that I was able to recommend it." It removes the tartrical mucus from the intestinal tract, and allays the inflammation which causes practically all stomach liver and intestinal ailments, including appendicitis. One does well convince or money refunded. Sold by Gwin & Mays and leading druggists everywhere. (adv)

SCHOOLS IN NEED OF MEETING HALL

(Continued from Page One)
ican legion, it would still be one of the best propositions ever presented to our people. But we cannot forget the American legion. That body of men did not forget us when our liberties were in danger. We must not allow ourselves to forget that these men are entitled to a permanent home here in Ada, where they may have their meeting place and their headquarters without being compelled to dig down into their pockets for the rent. We should do much more for these boys than merely to provide them with a permanent home; certainly we ought not to do less.

"Every one who believes in civic enterprise, every one who stands for progress, and every one who appreciates the services of the American Legion during the World War, should vote for the bond issue on June 6."

A lake rich in carbonate of soda was recently discovered in the neighborhood of Kulunda, Siberia.

TULSANS TO GO TO PERSIA FOR MISSION WORK

(By the Associated Press)

TULSA, Okla., June 2.—Plans are being made by Mr. and Mrs. J. D. Payne of this city for a seven-year sojourn in Teheran, capital of Persia, where they are to go as foreign missionaries. Their two children, Eleanor, 7, and Thomas, 4, will accompany them. Payne is to be business manager for a Presbyterian mission station there, and at the end of two years will take the chair of commerce and business administration at a university being constructed by the Presbyterian church in the city.

The journey from Tulsa to Teheran will be long and difficult, the last leg being by camel through more than 150 miles of trackless sands.

Mrs. Payne is preparing clothing for the family sufficient for seven years, it being virtually impossible to obtain American wearing apparel in the Persian capital, according to reports received by the future missionaries. Clothing for the children is being made in graded sizes and shoes to fit their growing feet will be included in the luggage to be taken on the long journey.

Payne has been for ten years a court reporter here and is well known in church and civic organization circles. Mrs. Payne has been prominent in church work.

The family will leave early this month for New York where Mr. and Mrs. Payne will attend a missionary conference before sailing.

CANADIAN COURT RETURNS INDICTMENT FOR MURDER

MONTEAL, June 2.—An indictment was returned by the grand jury of the Court of King's Bench today against Abbe Adelar Delorme charged with the murder of his half brother.

Public Debt Reduced.
WASHINGTON, June 2.—Reduction of \$51,000,000 in the public debt during May was announced today by the treasury. The total public debt stood at \$23,138,607 on May 31, as compared with \$23,190,201,356 on April 30.

BANK OFFICIALS TO TESTIFY IN SMALL HEARING

WAUKEGAN, June 2.—With the officials of Governor Small's own bank, the First Trust and Savings Bank of Kankakee, and officials of two banks owned by his fellow defendant, Vernon Curtis, at Grant Park, subpoenaed as state witnesses today, the closing session of the sixth week of the governor's trial is expected to be replete with interesting testimony.

The state subpoenaed all officers and directors of the governor's bank and the Grant Park Trust and Savings Bank and the Curtis Trust company, but when they protested they could not do business with all their officials in Waukegan attending court, it was agreed that only half of them need come today.

Retailers Consider Plans for Big Picnic Here July the Fourth

A meeting of the Retail Merchants association was held today to consider the staging of a picnic here on July 4. The plans of the Athletic association were outlined by Ralph Waner and were in the main adopted.

The plan calls for a big picnic on July 4, with probably a preliminary on the previous day. Arrangements will be made to advertise the matter fully in the surrounding country and towns. A committee consisting of M. C. Wilson, W. J. Coffman and R. W. Simpson was appointed to co-operate with the association in forming and carrying out the plans.

McCORMICK QUILTS POST AS HARVESTER LEADER

(By the Associated Press)
CHICAGO, June 2.—Harold F. McCormick resigned today as head of the International Harvester company. Declining re-election, Mr. McCormick nominated Alexander Legge, vice-president and general manager, who was unanimously elected. An executive committee of five, selected from the board of directors, was created and Mr. McCormick named chairman of the new body.

SOCIETY

Miss Faye Strawn
Miss Faye Strawn arrived in Ada Thursday afternoon from the University of Oklahoma, where she was a student last term, to spend a week with her parents, Mr. and Mrs. D. B. Strawn. Miss Faye will leave next Wednesday for Norman, going from there to Des Moines, Ia., where she will begin a tour with the Midland Chautauqua Company, going on a twelve weeks' tour around the Great Lakes.

She has comedy lead in a play, "The Prince Chap," and will also assist Mr. Josh Lee, manager of the company, and who is head of the public speaking department of the Oklahoma University, by reading. She is a member of the Phi Mu Gamma, a sorority of the University, and is quite an accomplished young lady. Her many friends in this city will rejoice with her in her achievements.—McCurrian Gazette.

Miss Strawn is a cousin of Mrs. R. Y. Kidd of this city.

McLean-Little.

The marriage of Claude Eugene McLean to Miss Pearl Little was solemnized at the home of the bride's parents, Mr. and Mrs. L. J. Little Thursday afternoon at 3:30. The bridegroom is a chemist connected with the Osage oil company, and lives at Muskogee. Rev. E. O. Whitwell, pastor of the Presbyterian church, performed the ceremony in the presence of the bride's family, relatives and friends.

The bride wore a beautiful blue suit of polart twill and carried an exquisite bouquet of white roses and maiden-hair fern. The couple left immediately after the ceremony for Oklahoma City. After a trip to California and the western states, Mr. and Mrs. McLean will be at home to their friends after July 1, at 226 North Thirteenth street, Muskogee.

Hunnicut-Hardin.

T. F. Hunnicut and Miss Meda Hardin, both students in the local college, were married at 10 o'clock this morning at the First Baptist parsonage, Rev. C. C. Morris officiating. They probably will remain here for the summer term of school work.

Scott-McAnnally.

An interesting home wedding was performed Thursday evening when Miss Ethel McAnnally, daughter of Mr. and Mrs. W. L. McAnnally was married to Herbert Scott. Both live here. The wedding ceremony was held at the home of A. L. McAnnally, 411 West Seventh street. The home was beautifully decorated in pink and white roses and ferns. The bride was prettily dressed, wearing a bridal veil and carrying an elaborate shower. The bride's maid was dressed in pink georgette.

Rev. T. L. Taylor, pastor of the Nazarene church, performed the ceremony. Friends and relatives of the contracting couple were present. The bride has lived here several years and has been attending East Central college. Mr. Scott is employed at Crowder's barbershop. They will make their home here.

Veterans Will Hold Monthly Meeting at City Hall on Sunday

The Confederate veterans will hold their regular monthly meeting at the city hall Sunday afternoon at 2 o'clock. A feature of the occasion will be an address by John Crawford.

The most important business that will come before the camp will be the election of delegates, maids of honor and sponsor for the Richmond reunion. A rate of one cent per mile each way has been made for the veterans and immediate families accompanying them and half fare for sons and members of other Confederate organizations. This will mean about \$30 for the first named and about \$50 for the others. To secure these rates certificates must be obtained by Captain Crow. He will have these ready Sunday for those expecting to attend.
